General Information

The Junior Golf Program at Maple Dale Country Club is designed to provide juniors with a great opportunity to receive PGA Professional instruction, play at our great course, compete against other clubs and most of all learn to have fun at the game of golf in a competitive atmosphere.

The 2023 program is available to all children between the ages of 5 and 17.

The 2023 Junior Golf Program has been broken down into two separate groups as follows:

Junior League: Ages 7-17

Pee Wee: Ages 5-6

The **Junior League** provides 7-17 year olds with a comprehensive program on the game of golf. The program consists of “**league play days**” on Tuesday evenings and “**clinics**” on Wednesday evenings.

The **Pee Wee** program provides 5 & 6 year olds with a fun introduction to the game of golf. The Pee Wee program will take place on Sunday afternoons.
