General Manager's Message

By Chris Brosius, GM & PGA Professional

Happy New Year! I hope everyone had a safe and warm holiday season. Winter is now in full swing. Please make sure you check the hours of operation for golf and dining. **Members Sock Hop on January 17th.** Please make sure you call for reservations.

Golf Course

Please remember to drive on the cart path as much as possible. Use the **"90-degree rule"**. If you're not sure what that means, stop by the golf shop and we can help. **I have continually seen many members off the path around the tees and greens,** please keep the **golf cart on the path around the teeing area and greens.** All golf carts **MUST** be on the cart path when you get within 30 yards of the greens. Remember, all par 3's and hole #17 is always cart path only.

Club House

We are starting to book rooms for the 2025 season that is right around the corner. Please let us host your wedding, banquets, meetings, luncheons, anniversary or any kind of party for the upcoming season. Randee or I can book or answer any questions that you might have. Remember, as a member of MDCC, **the room rental fees are waived.** Mark your calendar for the **Sock Hop on January, Friday 17th.** Come out and enjoy the songs from the good old days. Wear your best "Pink Ladies" outfit or whatever suits your groove. **The club house and golf course will be closed on January 1st!**

Dining Room

We had over 125 people enjoy beautiful candlelight dinner. Thank you to everyone that came out and supported the club. Weekly specials will continue in December. Please make a reservation for Chef Sarah's weekly dining specials. **Wednesday Pasta night, Thursday Burger Night, Friday Prime Rib night and Saturday Fish night.** Don't forget about our happy hour every Wednesday night from 4pm-6pm. December - March the dining room will be **closed on Mondays and Tuesdays.**

Golf

Range practice available during the winter time. You can reserve the hitting bay to practice or practice on the grass in front of the practice tee. Lessons are available all winter long. Now is a good time to improve your golf swing or get your clubs repaired or regripped. Congratulations to Ken Watkins on playing another 300 rounds in 2024.

Membership - Consistency - Family

I can't thank the membership enough for all your continued support!

Superintendent's Message

By Jon Bryson, GCS

Turf care would like to thank the membership for our Christmas bonus this year. We truly appreciate it. Also, thank you all for all the positive feedback this year. We are hard at work preparing the golf course for an even better 2025. We have added digital job board at Turf Care to help streamline communication between myself and crew members. I will also use this winter to spend as much time as I can on continuing education for myself and our team to keep improving, and learning for our turf care operation to be efficient as possible. Happy New Year! Thanks, and enjoy golfing!

//

Congratulations! Just another 300 rounds of golf in 2024 for the iron man, Ken Watkins!
