General Manager's Message

By Chris Brosius, GM & PGA Professional

The holiday season has arrived. It is a great time to spend with family and friends. Come out to MDCC and enjoy a wonderful meal and atmosphere. Please make sure you check the hours of operation for golf and dining. **Entertainment is on Friday, December 19th.** Please make sure you call for reservations. I would like to wish everyone a very happy holiday season and I thank you for your continued support throughout the 2025 year.

Golf Course

Please remember drive on the cart path as much as possible. Use the **"90-degree rule"**. If you're not sure what that means, stop by the golf shop and we can help. **I have continually seen many members off the path around the tees and greens, please keep the golf cart on the path around the teeing area and greens.** All golf carts **MUST** be on the cart path when you get within 30 yards of the greens. Remember, hole #17 is always cart path only.

Club House

We are starting to book rooms for the 2026 season that is right around the corner. Please let us host your wedding, banquets, meetings, luncheons, anniversary or any kind of party for the upcoming season. Jessica or I can book or answer any questions that you might have. **In 2026 as a golf member of MDCC, the room rental fees are waived but there is a setup fee, as a social member half of the room rental is waived and there is set up fee to book room in the club house.** Mark your calendars, Thursday nights are going to be **Trivia Night** throughout the winter months. **The club house and golf course will be closed on December 25th and January 1st, Par & Plate is also closed on Christmas Eve.**

Dining Room

The 100th Anniversary and Awards night was a great hit with fantastic food, awards, music and dancing. Thanks for all the members that participated and enjoyed a wonderful evening at the club. We had over 150 people enjoy Thanksgiving at MDCC. Thank you to everyone that came out on the holiday. **Entertainment will be on Friday, December 19th.** Also, **don't forget to sign up for our New Year's Eve Dinner.** See timing and meal options in newsletter. Don't forget about our happy hour every Wednesday and Thursday nights from 4pm-6pm.

Golf

At the last event of the season the "Turkey Shoot" we had over 70 players come out and test their skills on a very challenging golf course. The weather was beautiful and many laughs were had. Thanks to all that came out to play and enjoy lunch afterward's. Golf shop credit can be carried over in the golf shop to 2026 if you choose to. Remember to get your holiday lessons gift certificates for the golfer that has everything but a golf game.

Membership - Consistency - Family

I can't thank the membership enough for all your continued support!

Superintendent's Message

By Jon Bryson, GCS

I hope everyone enjoyed the golf course in 2025. I have really enjoyed being at MDCC this year and look forward too many more years to come. As we come to the close of the 2025 golf season it is time for the winter projects to start. Some of the projects that we will be handling are; blowing out irrigation system, irrigation repairs, tree work, and improve drainage on hole #17. I want to wish everyone a happy and safe holiday season. Thanks, and enjoy golfing!
