# General Manager's Message

By Chris Brosius, GM & PGA Professional

The winter weather has really hit Delaware with snow, cold and wind this year. I hope everyone is staying warm and safe indoors as much as possible. Hopefully, February will give everyone a better chance to get out to play a round or a chance to come out for a night of dinner. Please let friends and family know that we are available for a round of golf, lunch, dinner or a golf instruction. We look forward to giving them a great experience.

## Club House

Please continue to check your statements, make tee times, view upcoming events on the monthly calendar and access the monthly newsletter from the [mapledalecc.com](http://mapledalecc.com) website. Also, don't forget right a review about Par & Plate on Facebook or Google as that helps when people search for a place to eat in the area.

## Accounting

At the end of each month, you will see your statement charge for the upcoming months dues. On the 2<sup>nd</sup> business day of each month you will receive an emailed or statement in the mail per request. If you are not getting either, please let us know and we will make sure to get them to you. Also, if you go to Wild Quail for golf, dinner etc., reservations need to be made, your food minimums cannot be used, and only credit card and cash will be used for payment at Wild Quail.

## Dining Room

Valentine's day is just around the corner. We are going to have a special Valentine's menu available on Friday 13<sup>th</sup> and Saturday the 14<sup>th</sup>. Call now 302-674-4951 ext. 1 for reservations. Darren O'Neill will be the entertainment on Friday 6<sup>th</sup> from 6pm-9pm. Please continue to make reservations. As we continue to get busier, reservations really help us service the membership. Par & Plate closed on Monday's and Tuesday's throughout the winter. Please make sure when you sign your receipt that you check the account number before you sign your receipt.

## Golf

It has been a very cold, snowy winter, but make sure you check out the upcoming 2026 tournament schedule, so you can mark your favorite events on your calendar. Now is a great time to get your clubs regripped or fixed for the upcoming 2026 season. Hitting bay is available for usage. Please call to set up day and time.

## Membership - Consistency - Family

I can't thank the membership enough for all your continued support!

## Superintendent's Message

By Jon Bryson, GCS

January has given us a real winter blast this year. During the cold winter days, we are continuing to do our winter maintenance by tree limbing and removal of trees throughout the course. Mike Biederman is going through all the equipment and cutting units to make sure they are in the best shape possible to minimize any downtime in season. Also, we are mapping, reorganization, and cleanup of irrigation computer to irrigate more efficiently in season. Oh, and plowing snow from the parking lot and front entrance so it is safe for all to come out to the club. Thanks, and I hope to see everyone on the golf course soon!

## Golf Course Open

After a long January of cold and snow, we are trying to get the golf course open as soon as possible. Please continue to check the outside board of golf shop for the daily cart rules.

## GOLF PROFESSIONAL REPORT

Winter has definitely showed up this year, but we are now closer to the golfing season. Get in shape by stretching and swinging your clubs in the garage or living room. Just be careful! Please call the golf shop and make your tee time or online at [Mapledalecc.com](http://Mapledalecc.com).
