General Manager's Message

By Chris Brosius, GM & PGA Professional

June is usually a very good time to get outside and enjoy some fresh air. Call and make a tee time at 302-674-2877 or a reservation to sit on the deck for a meal at 302-674-4951.

Golf Course

The green aerification has healed nicely and the greens are consistently rolling at 10-11 on the stimp meter. Aerification is now over until the end of September. Kurt is continually repairing our very seasoned irrigation system. The old pipes continue to break and leaks happen. So, if you see his staff working in a fairway or around a green, please be patient and careful to not hit them. Cart signs are placed on the golf course to insure consistent playing conditions, please follow the rules when driving your cart. If you have questions, please see the golf shop.

Club House

Because of many members not getting the monthly statements from MDCC, we will be mailing all the statements. Please check the mail for your monthly statement arriving around the 5th of each month. The roof has been completed and now we can ensure when these bad storms come up, we will be dry. If you are looking for a place to have a meeting or a function of some kind, please call Jessica at 302-674-4951 ext. 2. It is a good time of year to eat out on the deck at Par & Plate. It's a great place to have a drink, dinner and watch golfers play up the 18th hole.

Dining Room

Mother's Day brunch was a great success. We had over 120 people enjoy their Mother's Day at MDCC. Thank you to everyone who participated. June entertainment "Roy Voshell" is scheduled for Friday the 5th. Come out and enjoy a meal and live music. Please make reservations as we typically have a full house dining with live entertainment at 302-674-4951 ext 1.

Golf

Also, please review the golf course closures. When we have outings, morning and afternoon tee times are still available for play depending on when the outing is playing. If you would like a tee time at one of our reciprocal courses, please provide the time and names of players at least 24 hours in advance to ensure your reservation. I am looking forward to seeing everyone on the links! Remember you can book your tee time on-line or call the golf shop at 302-674-2877.

Membership - Consistency - Family

I can't thank the membership enough for all your continued support!

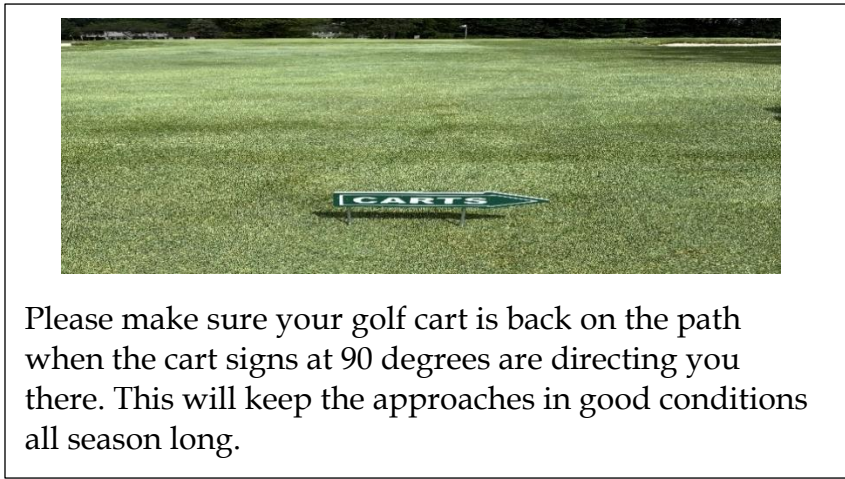

Superintendent's Message

By Kurt Wittman, GCS

June is arguably the best month for golf in the Mid Atlantic, sunny skies, warm temperatures and fast greens. Get out and enjoy our great golf course. Please to remember to fix ball marks, obey cart rules, and replace bunker rakes in the bunkers. See you on the links!!

Please make sure your golf cart is back on the path when the cart signs at 90 degrees are directing you there. This will keep the approaches in good conditions all season long.
