General Manager's Message

By Chris Brosius, GM & PGA Professional

The weather was a little hot but very dry in June. I hope everyone had a chance to enjoy the golf course. If you are looking for someone to play with, stop by the golf shop and we can get you a game. The summer heat is upon us. The golf course is in beautiful shape! Come out and play Maple Dale and enjoy the summer and friends!!

Golf Course

The bunker on hole #14 on the left side is now ground under repair. We have decided to take it out of play and it will be smooth out so you will not be penalized. Please continue to follow the cart rules as they are in place to keep MDCC in beautiful condition and once the heat and humidity hits in July and August, carts on the path as much as possible is VERY important. If a member in your group is not following the cart rules, please let them know. Please make a tee time if you want to play a round of golf at 302-674-2877.

Dining Room

"Catch the Drift" will be our live entertainment on Friday, July 17th from 6:00pm to 9:00pm. Reservations are required. Please call 302-674-4951 ext 1. Please make reservations to ensure you get a table. Reservations insures you will be seated on time with no waiting.

Golf

The Courtwright and Ladder matches continue to go throughout the summer. Please make sure to schedule your match by the deadline date. Couples nights continue every second and last Friday of each month. Please continue to sign up for golf events on the sheets as you walk into the golf shop. Review my golf article of the newsletter to find dates and times of each event. Remember the Ryder Cup and Solheim Cup tournament is the first weekend in August, so mark your calendars.

Membership - Consistency - Family

I can't thank the membership enough for all your continued support!

We had 34 ladies out on a beautiful day. They had a great conditioned on the golf course, and a delicious lunch. Special thanks to Pat Carlson, Sue Hufschmidt, Linda Perillo and Kathy Welsh for organizing the event.

Superintendent's Message

By Jon Bryson, GCS

It has been a hot early summer so far and the turf care has been continually trying to keep up during this dry stretch. Please keep in mind, if you see turf care hand watering or working on irritation that they are trying to keep the golf course in the best shape and playing conditions consistent. Please be patience with the staff. They have been instructed to try and stay out of the way as much as possible but sometimes there are awkward situations so please give them a chance to get out of the way or make sure they see you before you hit your shot. Thanks, and enjoy golfing!

Tee Times

All members can make tee times 30 days in advance. Our tee sheet is filling up daily so please be sure to make those tee times. #302-674-2877
