General Manager's Message

By Chris Brosius, GM & PGA Professional

August gave us pretty good weather conditions for golf and outside activities compared to most Augusts in the Delaware state. I hope everyone had a chance to get out and swing the clubs. I would like to thank the entire MDCC membership for your continued support and patronage.

Golf Course

The golf course held up very nicely with the weather conditions in August. Thank you for following the cart signs and rules which allowed beautiful playing conditions all summer long. Kurt has been a big part of the great playing conditions, so please thank him and his staff for all their hard work. The greens are now rolling at a good pace. As the weather cools down at night, we can lower the cut and get them rolling even smoother and faster. Please remember to follow the cart rules to allow everyone the best playing experience possible. We continue to have young kids coming on the golf course in the evenings. If you see kids or anyone on the golf course with bikes, or just walking around and not playing golf, please get a picture if possible and call the golf shop at 302-674-2877.

Club House

A lot of you know my daughter Kayla got married at MDCC in August. I want to thank everyone for their kind emails and words. But I also would like to let you know how fantastic MDCC was to host our daughter's wedding. It was a beautiful atmosphere; the staff was so helpful we could not ask for a better day for our daughter. If you know anyone that is getting married, please recommend MDCC to host their wedding and reception. They won't be disappointed.

Dining Room

Entertainment "**French Fries and Whiskey**" will be on Friday, the 4th this month at 6:00pm-9:00pm. Weekly "Happy Hour" is on **Tuesdays - Fridays from 4:00pm-6:00pm**. Please call to make reservations at 302-674-4951 ext. 1. Please make sure to check the new operating hours for "Par & Plate".

Golf

The Ryder/Solheim Cups started the month off and we had two beautiful days for the competition. The competitions were fierce but the Blue Team came out on top. There were a lot of laughs and fun had by all. At the end of the month we had 16 couples test marriage in the divorce open with a fun format. Congratulations to the winners and thanks to all the members that came out for a fun day of golf.

The Labor Day Tournament and Club Championships are in September, so get ready for the best weather of the year and come out and join in on the fun. Please continue to sign up for golf events on the sheets as you walk into the golf shop.

Membership - Consistency - Family

I can't thank the membership enough for all your continued support!

SEPTEMBER

Superintendent's Message

By Kurt Wittman, GCS

First, I would like to thank the membership by following the cart rules and playing hole #19 while hole #9 irrigation was getting fixed. I know this a little tougher by having to walk more. It has really paid off and our fairways are in pretty good condition. This summer has been a tough one with the weather conditions. A lot of hot days, then a lot of rain in a short period of time. We have been water in dry spots for 5-minute sessions to cool the top of the grass that is stressed. Hopefully, we are now going to get the nice fall days we all love. You will see the greens rolling a little faster with the cooler temperatures allowing us to roll and cut them lower. Please continue to check with the golf shop on the rules for the day.

Thanks, and enjoy golfing!

Club Repair and Re-Grips:

Now is a good time to get those old grips changed? Drop off your clubs, and let us know when you need them and we'll take care of it. It is very important to change your grips on a yearly basis. This is a simple way to lower your scores.
